Land Description

Gently rolling.

Comments

This is a rare opportunity to purchase one of the nicest building sites in the Cedar Rapids area. It includes a mixture of mature timber, cropland, pasture and an old quarry. Big Creek and Abbe Creek come together in the center of this farm. Big Creek provides excellent fishing opportunities. An abundance of deer and turkey live in and around this property.

Additional Land For Sale

Seller has two additional tracts of land for sale located to the east of this property. See Additional Land Aerial Map.

The information gathered for this brochure is from sources deemed reliable, but cannot be guaranteed by Hertz Real Estate Services, Inc. or its staff. All acres are considered more or less, unless otherwise stated. All property boundaries are approximate. Soil productivity ratings are based on the information currently available in the USDA/NRCS soil survey database. Those numbers are subject to change on an annual basis.
