General Notes:
 The survey was conducted in this state by the surveyor, as information regarding current ownership and other matters which might affect the quality of the work.
 This plan was prepared from the Development Survey prepared by D.L. Scoville, Surveyor, on 1/23/2002.
 Except as specifically stated or shown on this plan, this survey does not purport to reflect any of the following which may be applicable to the subject premises: easements, other than those easements which are shown on the plan of this survey, building setbacks, street frontage easements, easements for utility lines, or other easements, rights, and any other facts which are recorded and shown on the plan of this survey.
 No attempt has been made as part of this boundary survey to locate or show any other boundaries, easements, or other matters which may be applicable to the subject premises, or to locate or show any other boundaries, easements, or other matters which may be applicable to the subject premises.
 Surveyor has made no investigation or independent search for encroachments, or other matters which may be applicable to the subject premises, or to locate or show any other boundaries, easements, or other matters which may be applicable to the subject premises.
 Utility lines are shown as they appear on the plan of this survey, and are not to be construed as a warranty of their location, depth, or other characteristics.

Survey Subject To:
 1) Easements as recorded in Deed Books 2967, Pg. 413 and 4590, Pg. 151
