

Lumberton Independent School District COVID-19 Removal Guidelines

Please do not bid on items that you will not be able to pick up on the scheduled pick-up days.

In order to protect the health and safety of our customers and employees, be aware that we are employing social distancing protocols at our sites, and the number of vehicles allowed is limited. We will follow the CDC recommendations for staying 6ft away from each other. We will be limiting the amount of people picking up to 5 per group.

Previews will be appointment only- no exceptions.

Customers **MUST** come prepared with their own help and materials to move and load all items.

If you are sick or show any symptoms, do **NOT** come pick up at our locations in person. Contact our office to make arrangements to pick up the items at a later date or send someone in your place to pick up the items. We will hold the items for 3 business days after the auction closes. After which time, they will become the property of Lumberton ISD and we have the right to resell, salvage, or give away these items.
