All Shipments will include minimum insurance attached of \$100.00. Any winning bidders that wish to increase insurance coverage for shipping can do so prior to items being shipped. All items will be packed as necessary to prevent damage while in transit. Once your winning item is shipped, you will receive an email with the tracking number and the shipping service. These items may be required to pass compliance in your state. Please check local laws for these type of items and animal breeds. Shipper is not responsible for researching each state for legality of type.

Once in transit, Goin' Postal is no longer responsible for the shipment. The carrier will be whom the customer must contact for any complaints such as damage or time of delivery.

Allow up to ten days for delivery of any winning items once close of auction, Longer if special

Ship Codes listed above are UP TO that shown amount. Shipping costs may be less, but will not exceed amounts shown. Any Item marked Code P/U indicates pick up only!

Some larger items may require custom shipping fees.
