AUTOMATED BIDDING

For those who do not have the time for the auction to conclude, due to work or personal constraints, we have a fantastic tool to assist you.

1 Click the "SET MAX" tab.

The screenshot shows the 'DEMO ONLINE' interface for Tirhani Auctioneers. It features a navigation bar with 'All Items' and 'Your Items' tabs. Below is a search bar and a list of items. The first item is a '2018 MERCEDES BENZ ACTROS 2646' with a 'BID R800,000' and a 'SET MAX' button. The second item is a '2011 JOHN DEERE 6430' with a 'BID R640,000' and a 'SET MAX' button. A hand icon points to the 'SET MAX' button for the first item.

This gives you, the buyer an added advantage of allowing the system to automatically place bids on your behalf until it reaches the amount set as "max bid".

If the bidding goes beyond the set max bid, the bidder will be required to either place manual bids or alternatively reset the max bid to a higher nominated price.

2 Insert your amount.

The screenshot shows a dialog box titled 'Set your Max Bid' with the text 'Insert your amount' and a 'SAVE' button. A hand icon points to the 'SAVE' button.

3 Click place bid.

The screenshot shows a dialog box titled 'You're about to authorize the system to bid on your behalf in the smallest possible increments up to your max bid of R900,000'. It has 'CANCEL' and 'PLACE BID' buttons. A hand icon points to the 'PLACE BID' button.

* **Please note:** If you place bids on more than one asset, on conclusion of the auction, if you are the successful bidder on multiple assets, you will be liable and invoiced on all assets won. **No exceptions.**
