9. **PHYSICAL CONDITION OF THE PROPERTY.** This property is being sold "AS IS". The title shall be subject to all existing utility easements and restrictions of record, if any. Generally, an easement is a right of a person other than the owner of the property to use a portion of the property for a special purpose. A restriction is a recorded limitation on the use of the property. A violation of any restriction shall not be a reason for Buyer refusing to complete settlement as long as the title company insures the Buyer against actual loss at regular rates. Purchaser agrees that this Contract shall not be recorded.
14. **ASSESSMENT FOR MUNICIPAL IMPROVEMENTS.** Certain municipal improvements (such as sidewalks and sewers) may result in the municipality charging property owners to pay for the improvements. All unpaid charges (assessments) against the property for work completed before the closing will be paid by the Seller at or before the closing. If the improvement is not completed before the closing, then only the Buyer will be responsible. If the improvement is completed, but the amount of the charge (assessment) is not

determined, the Seller will pay an estimated amount at the closing. When the amount of the charge is finally determined, the Seller will pay any deficiency to the Buyer (if the estimate proves to have been too low), or the Buyer will return any excess to the Seller (if the estimate proves to have been too high).
