Standard Conditions:

1. The Provisions of the Ground Water Use and Water Quality Control Acts, or any of the Rules & Regulations therein specified will apply.
2. **Use Limitations:** The use of groundwater and/or surface water is limited to the quantity and purpose herein specified;
3. **Water Source Limitations:** This permit covers only the specific water sources and locations listed in the permit application.
4. **Transferability:** The Environmental Protection Division will transfer or assign this Permit to subsequent owners of the lands, which are the subject of this permit only after receiving complete permit transfer forms from the subsequent owners.
5. **Changes in Use or Capacity:** Any modification in the use or capacity conditions contained in the permit or in the lands, which are the subject of such permit, shall require the permittee to submit an application for review and approval by the director consistent with the requirements of this part.
6. **Water Metering:** All withdrawals for irrigation will be metered as provided for in the Ground Water Use and Water Quality Control Acts and administered by the State Soil and Water Conservation Commission.

Special Conditions:

1. **Prior Use:** Withdrawal of water from this source does not fall under the Prior Use (Grandfathered) provisions of the Ground Water Use Act or Water Quality Control Act. If the Environmental Protection Division (EPD) determines that pumping from this source is detrimental to the resource or is impacting a Grandfathered user, the Director of EPD reserves the right to adjust your Permit limits as necessary.
2. **Expiration Date:** This permit shall expire on September 17, 2040, as provided for in the Ground Water Use and Surface Water Quality Acts. The Permit may be renewed as provided for in those acts.
3. **Regional Water Development and Conservation Plans:** This water use permit has been developed using the tier agricultural conservation management practices associated with the Upper Flint Regional State Water Plan.

Revocability: In accordance with the original application dated November 16, 2011 and the statements and supporting data therein or attached thereto or submitted in support thereof (all of which are filed with the Georgia Environmental Protection Division and are hereby made a part of this Permit), this Permit is effective from the date of permit issuance. This Permit is subject to revocation on any of the grounds identified in O.C.G.A 12-5-90 et seq., including but not limited to:

- a. Non-compliance with any of the provisions of the Groundwater Use or the Water Quality Control Acts, as amended, or any of the Rules promulgated pursuant thereto;
- b. Misrepresentation made with the above mentioned application or statements and supporting data therein or attached thereto;
- c. Non-compliance with any condition of this Permit.
